

# THREE COS CH SHOW, 04/06/15 - Large Munsterlanders

## Large Munsterlanders

It was disappointing for the exhibitors that a breed championship show was held on the same day which affected the entry

**PD, JD & PGD (0). OD (2)** 1 Rixon's Raycris Raphael at Rixbriar, typical in outline, a beautiful head & kindly expression, ears well set lying close to head. Well proportioned body. Good bone & legs but feet could tighten to advantage. Well turned stifles, good square backend. Moved out & back freely. Of happy disposition. Plenty of coat but seemed a little fluffy today! **BD & BOB;** 2 Taylor's Ichbin Jester of Tattay, pleasing outline with masculine head & expressive eyes. Good pigment. Good bone, legs & feet. Good body, strong back & quarters. Tended to stand a little straight in the upper arm but once on the move covered his ground well. **RBD.**

**PB & JB (0). PGB (2,1a)** 1 Butler's Ichbin Jaunty of Jendella's, I see litter sister to 2nd in **OD.** Feminine proportions, attractive head & sweet eye. Good bone & neat feet. Good pigment. Good depth to body. Wide well muscled loin. Lively & so willing to please took a while to settle on the move then took the ring in her stride. **RBB.** **OB (2)** 1 Leeming's Ashiowrick Ladies Day at Iscadu, well constructed, well balanced bitch, head with good proportions & kind eyes though would prefer them to be darker. Good depth to chest & plenty of heart room. Strong topline. Good bone & legs, well turned stifles & stands parallel behind. A positive mover, tail well set. **BB;** 2 Darby's Brockchime Besta Both to Incadar, plenty of substance in this well made bitch. Head of good shape but would prefer to see a little more femininity. Good bone, legs & feet. Well developed body with good spring of rib. Well muscled loin & quarters. Happy & active on the move, carrying tail a little proud.

**JULIA ILES-HEBERT**
