

BORDER UNION CH SHOW, 20/06/15 - Large Munsterlanders

Large Munsterlanders

PD (1) 1 Hargreaves' Ghyllbeck Monsignor, just 6 months, he stood well & demonstrated a good overall shape. He has a lovely head & eye with well set ears. A good reach of neck. Well let down hocks & good bend of stifle. I liked his type. Unfortunately he was unsettled on the move – unsurprising for his age. **BP. ND & PGD** (0). **LD** (1) 1 Murdoch's Celtaur Loch Glashan, a well schooled young dog. Nice head with good proportions, well set ears with good feather. True front standing & on the move. Moved a little close behind. Nice coat & colour. **OD** (4) 1 O'Connell & Ogle's Ch Raycris Quite The Charmer, lovely outline with good substance, sufficient bone but not over heavy. Loved his head, & this is what won him the challenge. Good depth of chest & correct angulation fore & aft. Moved very well. **CC**; 2 Hewitt's Brockchime Be A Better Boy, another super dog. Good conformation which showed to his advantage when free standing. Well balanced. Moved very well with good topline. **RCC**; 3 Hargreaves' Sh Ch/Int Sh Ch/Dut/Ger Ch Ghyllbeck Rapax. **VD**(0).

PB (0). **NB** (2,1) 1 Kitchen's Crumpsbrook Rather Regal, a pretty young bitch, true standing. Lacked a little in brisket & needing to body up. She had decent shoulders & good quarters. Should move well when she muscles up. **PGB** (2,1) 1 Hewitt's Brockchime Luna, a lovely bitch, I really liked her. She moved well with her handler & kept her topline & overall balance on the move. Well muscled up. Good reach of neck, depth of chest & well formed quarters. Nice front & shoulders. **RCC**. **LB** (2,1) 1 Leeming's Ashlowrick Ladies Day at Iscadu, well muscled & shown in good condition. She moved well when viewed from the side, using her quarters well but her short upper arm caused her to move a little wide in front. Very nice head & expression. **OB** (1) 1 Ogle & Butler's Sh Ch Raycris Freya, I have written in my notes 'this bitch knows her job'. She did not put a foot wrong, though she moved with more verve in the challenge. She is well balanced with good angulation fore & aft. Just the right amount of bone & the right amount of body for me. A lovely bitch. She scored over the RBCC in the drive from her well let down hocks & her springy gait. **CC & BOB**. **VB** (1) 1 Thomson & Kirkwood's Ir Sh Ch Helydon Knockandhu at Sarscottah, a tall, free moving bitch of good type. She has a good outline, reach of neck, lay of shoulder & spring of rib. Shown in good coat & condition.

HELEN SALMON
