Large Munsterlanders

PD (0). **PGD** (1) 1 Allen's Seahaven's Celtic Commander of Hartenziel, presents a strong outline & has a masculine head with strong muzzle. Plenty of heart & lung room but needs to fill in behind elbows. Firm topline, good width & strength to loin. Plenty of forward reach which was not matched by his hind movement. **RBD**. **OD** (3,1a) Two dogs of good type but sadly 2 was favouring his front left. 1 Stevens' Celtaur Lake Geneva, well boned with handsome head, dark eyes & kind expression, ears set high & well covered. Strong neck into decent shoulders, muscular loin, broad hips. Very good forward reach & enough drive behind. **BD**; 2 Webb's Trumorlund Anthony, typical head, strong body with good lay back of shoulder & return of upper arm. Plenty of depth & spring of rib but slightly weaker in loin than 1.

PB (2) 1 Robins' Destanli Jemma's Diamond, puppy of 6 months & at her first show. Gorgeous head with slight rise from nasal bone to forehead; beautiful, soft, dark brown eyes. Ears set high, strong slightly arched neck fits cleanly into well laid shoulders. Good length to height being slightly higher at withers & well muscled for such a baby. I would prefer tighter feet but she moves very well on them. Very promising. **BP**; 2 Steven & Hargreaves' Ghyllbeck French Holly, another beautiful head on this well boned 8 month old. Strong bone with super depth but needs to drop into her quarters. Good croup & tailset, moves on tight feet. **PGB** (0). **OB** (4) 1 Robins' Albadhu Talk To The Paw Dha Destanli, a lovely type with a strong & energetic appearance. Love her slightly rounded head framed by her broad ears which lie flat & close. She has such a kind, soft eye. She has good width in front with super forechest, depth of brisket & well sprung ribs. She has a firm, strong back, is short coupled & has the desired slope towards her croup & tail. Her underline is good with slight tuck up. Her well muscled quarters with enough turn of stifle power her round the ring. Mother of **BP** & almost beaten by her. **BOB**; 2 Caile's Blitzan Eternal Treasure, gorgeous head on this girl & I liked her very much but she tended to lose her topline on the stack & was not as positive behind as the winner but she did have better feet. **RBB**; 3 Grove's Tarkanya Mea's Moonshine.
