Butler Ichbin Jaunty Of Jendella's. On first glance this bitch didn't stand out, however on handling I found her well constructed throughout, with pleasing head, good front assembly, balanced well made body with strong powerful quarters. Not in the best of coats and not a really showy attitude, but the best mover on the day. She covered the ground

positively front and rear. Was pleased to award her CC and learn it was her 3rd. In the challenge for BOB just lacked the animation of the male.

2 Ogle & Butler Ursel Vom Ahler Esch At Raycris. Pleasing overall for type, bone and construction, presenting a balanced outline and shown in good condition. Moved well Res CC. 3 Hewitt Brockchime Frolicsome
