**1ST QUILESTA SIMPLY EXQUISITE (MISS V WILKINS)**

10 month old bitch, still very raw but so much to like. Loved her cheeky and outgoing nature, full of life and spirit. She is just right for size and balance at this age. Most feminine of heads, with a good length of foreface, and dark eye. Clean neck and good depth to the brisket, just needing to firm up a little more in topline, well boned limbs, with a ribcage carried well back. Moving out with correct footfall, happy and eager to please attitude - BP

**2ND QUILESTA SIMPLY ASTOUNDING (CARR)**

Litter brother to winner, and another with plenty of breed type. Thought he would be my winner, but not settling on the move as much as his sister, both have a promising future. He has a balanced head, good length of neck, holding a firm topline, short coupled, and strength to his hindquarters

1ST CRUMPSBROOK GALANGAL VON RULANDER  
(AI) (MISS K & MR M LLOYD & SMITH)

10 month old dog, 3rd in the puppy class, being a bit of a handful today. Looking a little up on the leg at the moment in outline, but time will be his friend. Masculine head, with a kind dark eye, well boned limbs and tight feet, enough depth for his age, moderate rear angulation. Having a nice side gait on the move

2ND EKKOLANDER DARK MADNESS AT LERITON  
(MS C & MRS L SIMPSON & JOHNSTON)

15 month old strikingly marked dog, who was providing his handler with a bit of a challenge. Well grown dog, with strong bone. His head is masculine, with a good length to the foreface, eyes still to darken. Good length neck flowing into a firm topline, needing to drop into himself a little more. Not as settled as winner on the move

A pleasing dog of 2 years, who presents a balanced and unexaggerated square outline. He is functional and workmanlike. Masculine head, which is well proportioned, with lovely dark intelligent eyes. Well developed through the body, with a good spring of rib and firm topline. Having strength to his hindquarters and shown in good muscle tone. Moving out in a free and

1ST CH CRUMPSBROOK BAYLEAF VON RULANDER (MISS K & MR M LLOYD & SMITH)

Upstanding 5 year old dog, very smart and clean in his outline. Loved his overall balance and construction. One who shows himself off with confidence. Pleasing shape to his masculine head, with good length to the foreface, dark kind eye, ears are a little lower set. Liked the strength he has in his forequarters, depth to the brisket and well developed forechest. Holds a firm topline both standing and on the move. Powerful hindquarters, width of thigh and a nice sweep of stifle. Showing reach and drive on the move – BD

A super class, all have super breed type and quality

1ST CH RAYCRIS FREYA (MRS C & MR R OGLE & BUTLER)

A super bitch that is a great credit to her owner and the breed. At 9 years old she is in amazing condition and is as fit as a fiddle. Loved her size, substance and femininity, she is workmanlike with strength yet oozes style and showmanship. Pleasing head of the correct proportions and balance, with a gentle and intelligent expression. Her strong muscular neck flowing seamlessly into a well held topline. Liked her depth and development to the ribcage. Strong hindquarters which show a good width of thigh. On the move, there is no

hint of her age, striding out with a precise and powerful action. BB & BOB & BV – Delighted to watch her in a superb group and go onto win Group 3, and RBVIS 2ND SH CH BROCKCHIME BESTA BOTH TO INCADAR (MR G T & MRS J DARBY)

Spoilt for choice, another cracking bitch who was close up to winner. 8 year old bitch in fine fettle. She has a feminine head, and lovely dark eye, alert and expressive. Having strength and depth all through, well boned limbs. Well muscled hindquarters. At one with her handler on the move, with a ground covering action -
