### **Judge: Mrs Zena Thorn-Andrews**

Pleased to see three of the top awards sired by Raychris dogs, and the other sired by the BOB.. a nice line up in both sexes

#### **MPD (3 Entries) Abs: 0**

1st: JENKS Albadhu Hidden Potential Well grown, OK in front, nicely bodied up for age, reasonable rear. Mouth needs to improve as he is a touch overshot.

2nd: ALLEN Seahaven's Vornholt Legacy Of Hartenziel Angulation good, but raw maybe. Mouth a touch undershot. Good bone and feet. Needs time and his skin condition was not brilliant on the day

3rd: WARING'S Seahaven Vornholt Vestige

#### **PD (3 Entries) Abs: 0**

1st: FOREMAN'S Toberworry Harvest Moon A smart and useful looking gundog. Super head, correct proportions of muzzle to back skull. Perfect mouth. Rather short in neck, and needs a better lay back of shoulder. He moves well in front and rear, and has a good springy action in profile. Very promising.

2nd: ALLEN Seahaven's Vornholt Legacy Of Hartenziel

3rd: WARING'S Seahaven Vornholt Vestige

#### **JD (3 Entries) Abs: 1**

1st: DAVIS-GREEN Abdecker Dancer Good for both size and height to length proportions, which are equal. Balanced for angulation, level back, short coupled. He is too thin and pin bones are prominent. Just needs more practice to be gone over in the ring. Moved with some style about him.

2nd: LLOYD & SMITH Crumpsbrook Galangal Von Rulander Tall and rangy at the moment. Also on the thin side, but he is well muscled. Fair mover. Great temperament. Tail set and carried far too high.

#### **GD (2 Entries) Abs: 1**

1st: LANE'S Rokko Vom Florbach Lovely expression, eyes full of intelligence. Ears set well, broad and high. Fair front, OK in body, and good over croup into well set and carried tail. Too upright behind on the stance, but he does flex his stifles and hocks moving.

#### **PGD (2 Entries) Abs: 0**

1st: POWELL & MURRELL Crumpsbrook Woodrush I liked this dog a lot. Appealing head and strong muzzle. Fairly good front, deep enough in chest and nicely rounded ribs without being barrelled. Excellent firm topline and quarters. Tail should not be carried so high, either horizontal or slightly raised only. In good coat, gleaming with health.

2nd: DAVIS-GREEN Jaudas Ink Spot Smaller dog but within the

standard as there can be a two inch difference. OK in head, really lovely expression. Paddles in front movement. Pin bones too prominent, and could move wider going away.

**LD (3 Entries) Abs: 1**

1st: JAMES Darkensky Prometheus JW A good honest sort. Appealed for size, masculine head and outlook. Excellent front and forechest. Good bone, feet a touch slack maybe. Super hard body and well covered without being in the least over bodied. OK in rear. Tail carried a bit too high, but it was straight!

2nd: GOODLEY Quilesta Just Talented A little weaker all though. Lovely shape to head, but eyes to light. Good neck, fair front and Ok for rear angulation. Tail too high. In excellent body. A nice dog indeed.

**OD (2 Entries) Abs: 0**

1st: MACGREGOR'S Ekkolander Snowstorm – RCC Impressive hindquarters with well developed second thighs and very powerful going away. Front angulation is matching rear. Pleasing head and expression, can stand dippy in topline but no sign of that in profile movement. He has quality this nice dog. Was told I have given him a Res CC in the past. Hope he gains a well deserved title.

2nd: LLOYD & SMITH Ch Crumpsbrook Bayleaf Von Rulander Standing looks the part, but not the muscular development of above, especially in rear. Tail carried too high. Has a good head shape and very appealing expression. In perfect body and coat.

**VD (2 Entries) Abs: 0**

1st: MACGREGOR'S Sh Ch Jaudas Fame And Glory – CC BOB A near 10 year old in fantastic form, and magnificent condition. Apparently, I told his owner the last time he showed under me three years ago, that he would have won, but he had damaged his tail, and it looked broken on the day! What I call a "Beagle tail" True and precise moving yet he still has that springy gait so typical of the best. Aristocratic head and expression, nicely bodied and muscles are impressive. Would like a slightly lower tail carriage but it is set nicely. In lovely coat too.

2nd: LOGIE & GRAY Sh Ch Albadhu Paws For Perfection A little on the long side and longer in loin. Also in superb condition and a credit to his owner. Moving well and enjoying himself.

**MPB (4 Entries) Abs: 2**

1st: EVANS Tarkanya Bonnies Beauty Not too bad a youngster but she still has some way to go. I would prefer less white on her muzzle, reasonable front, good firm backline, and correct croup. Fair mover for age.

2nd: SLEIGH & CAPE Seahaven Vornholt Heirloom Untrained and all

over the place. Lacks bone for her size. Unfair to comment further as she may well improve

**PB (3 Entries) Abs: 0**

1st: BUTLER'S Toberworry Breaking Dawn At Jendella's B PUPPY A good puppy and very promising for size, balance, angulation and movement. I liked her head with correct muzzle and back skull. Just needs time obviously.

2nd: EVANS Tarkanya Bonnies Beauty

3rd: SLEIGH & CAPE Seahaven Vornholt Heirloom

**JB (2 Entries) Abs: 1**

1st: LOGIE & BRAIDWOOD Albadhu Pawsitive Vibes Lovely to go over, but disappointed me moving as she is still very weak in rear, and throws her front about . Really lovely outline , stands on good legs and feet, super head and expression.

**GB (2 Entries) Abs: 0**

1st: WARD Braccpoint Song Of The Wind For Gemlorien R CC Seriously nice bitch all through. Carried her tail correctly which was nice to see. Liked her head, good bone, rounded tight feet. Well ribbed back, enough rear angles and she is true moving. She is a quality bitch.

2nd: JORDAN Quilesta Odessa Needs further practice and exercise, which will widen her movement. Pasterns a bit too slack also. Good body and topline is firm.

**PGB (3 Entries) Abs: 0**

1st: FLEMING & ARNOLD Asterpoint Galileo Right out of coat, but beautifully muscled and in good working condition. Attractive head and neck carriage, nicely arched and set at the correct angle to the body. Deep enough in chest, OK in topline. Rather cow hocked going away

2nd: JORDAN Quilesta Odessa

3rd: SLEIGH & CAPE Seahaven Vornholt Heirloom

**LB (4 Entries) Abs: 0**

1st: BLACK'S Seahaven Limited Edition CC Fell in love with this bitch. Maybe a trifle long for a square-built breed, but the standard allows for a touch more length than height at the withers. I thought her a treasure! Well put together and fit as can be. 2nd: BARGMAN Crumpsbrook

Kerria Just out at elbows standing and moving, but otherwise a super bitch, of good type and outline. Strong behind and well set tail. In lovely nick all through.

3rd: JAMES Crumpsbrook Angelica

**OB (3 Entries) Abs: 0**

1st: LOGIE & BRAIDWOOD Cindy Vom Hundsfeld At Albadhu Mouth could be a better scissor bite, but she is sounder than the second placed bitch. Reasonable mover, but rather heavy in body. Ok in quarters and rear movement. Good bone for size and tidy feet.

2nd: HEWITT'S Brockchime Frolicsome Poor mover both ways and coat should be flatter. Good outline for proportions of height to length. Nice tuck up and excellent topline.

3rd: EVANS Tarkanya Hippis Hibiscis

**VB (4 Entries) Abs: 0**

1st: DARBY'S Sh Ch Brockchime Besta Both To Incadar Throws her front legs up to high moving, and tail set too high. In lovely body and condition all through. Better behind than number two. She shows well too.

2nd: BLACK'S Seahaven Borrowed Heaven More the type I admire, but not quite as strong moving as above. In lovely condition for age, and a credit to her owner for keeping up this high standard of care.

3rd: LEEMING Ashlowrick Ladies Day at Iscadu
