

THE LARGE MUNSTERLANDER CLUB (AFTERNOON)

PD 1 Logie and Braidwood's Albadhu Walk on the Wildside: Dark head and eyes, straight front and well ribbed with good depth for age, level top, well angled to the rear, moved with typical puppy roll. BP.

JD 1 Horton's Crumpsbrook Jay: Elegant head mounted on a neck whose muscle is developing well, straight front, with ribs of correct proportions and level top line. Movement still developing at rear.

Sp YD: ND 1 Logie and Braidwood's Albadhu Walk on the Wild Side: 2 Carr's Quilesta Simply Astounding: Dark eye set in pleasant head, level top, square outline, would like to see him when he has developed a little more, did not perform at his best today.

GD 1 Davis-Green's Abdecker Dancer: Pleasant head with dark eyes, adequate width to straight front, well sprung ribs of good depth. Tail set nice and well angled to rear. Very nervous but with perseverance managed to go over him. Moved well, better than he stood. 2 Simpson's Ekkolander Dark Madness at Leriton: Strong head with dark eyes, level top and good tail set, nicely angled to rear, in good muscular condition, moved OK. 3 Jenks: Albadhu Hidden Potential: Lovely head with dark eye, mounted on strong neck, level top with good tail set, good depth to chest and nicely angled to rear. Moved well.

PGD 1 Davis-Green's Abdecker Dancer: 2 Simpson's Ekkolander Dark Madness at Leriton: 3 Foreman's Toberworry Harvest Moon: Handsome head mounted above a straight front, well angled to front and rear. Presenting square outline, moved well, but lacked maturity.

LD 1 Dunsmore's Jaudas Kind of Magic at Kennedun: Well proportioned head, level top line, straight front, well sprung ribs giving square appearance. Well angled front and rear, mounted on tight feet, moved well. 2 Day's Waldo vom Busshof mit Alfriston: Clean cut head with dark eyes, level top with well sprung ribs. Nicely angled front and rear, mounted on neat feet, in good condition, moved cleanly around the ring. Only just pipped at the post today. 3 Gregory's Jaudas Let It Rock: Strong head and dark eyes, straight front and well ribbed, good tail set. Nicely angled front and rear. Moved well.

OD 1 Miller's ShCh Quilesta So Majestic of Rockfest: Masculine head with dark eyes. Straight front of good proportions. Lovely outline of shoulder leading into level top. Well sprung ribs of adequate proportions, nicely angles to front and rear, moved smoothly around the ring. DCC BIS. 2 Weare's Kamaze Revolution: Again a handsome dog in first class coat and muscular condition, level top over well sprung rib, level top and nice tail set Straight front, good angles to both front and rear, moved well. 3 MacGregor's Ekkolander Snowstorm: Nicely proportioned head with dark eye, good front, well sprung ribs of correct depth and proportions, well angled to front and rear, in first class condition. Moved well.

FIELD TRIAL DOG 1 Lloyd's Crumpsbook Bayleaf Von Rulander: Dark head set on a strong neck leading to level top. Good solid front and well proportioned ribs. Well angled to front and rear. A dog that's more than capable of a days work. Moved well.

WORKING TEST DOG 1 Lloyd's Crumpsbrook Galangal Von Rulander: Pleasant head leading to well angled shoulders, good depth and spring of rib. Level top. Gently angled stifle, developing nicely, movement not that of kennel mate yet.

SPECIAL BRED BY EXHIBITOR DOG 1 James's Darkensky Prometheus JW: Head in proportion with dark eye nice neck leading to well angled shoulders and level top, straight front good with depth to ribs. Good angles to rear end. Moved well. 2 Foreman's Toberworry Harvest Moon:

VD 1 Logie and Gray's Albadhu Paws for Perfection: Handsome head and dark eye. Strong neck leading onto a level top. Straight front and well sprung ribs, Well angled to front and rear. Well muscled and in first class condition. Still moving like a young dog. DRCC. 2 Jenks's ShCh Kalabagh Lightening: Another dog with lovely head and dark eye, strong neck leading to level top, well proportioned ribs, straight front, good angles to both front and rear. Moved well. 3 Day's Raycris Constantin at Alfriston: Strong head with dark eye, strong neck leading to level top. Well angled shoulder. Good proportions to rib cage, well angled at rear, in first class muscular condition.

MPB 1 Arnold's Asterpoint Maverick: Pleasing head with dark eye, level top. Today standing on long legs that are well angled. Very much a puppy. 2 Powell's and Murrell's Tureagh Crystal Cider: Straight front, good depth of rib with level top, well angled to rear. A bit of a bad hair do today and a bit fidgety to go over.

JB 1 Gregory's Jaudas Nice N Easy: Feminine head with dark eye, a straight front leads into a developing rib cage, nicely angled to front and rear. Moved well.

Sp YB 1 Ogle and Suchett-Kaye's Raycris the Temptress: Pleasing head, straight front, well developed ribs of correct depth, good tail set, nicely angled front and rear, didn't reach full potential when on the move.
