

## **Three Counties Championship Dog Show – Sunday 10<sup>th</sup> June 2018**

My thanks to the committee for appointing me for my first championship show and to all those who entered your beautiful dogs under me, a day I won't forget. Thank you to my steward who prior to the ring being changed didn't even know he was required again.

Large Munsterlanders

### **Puppy Dog (1,0a)**

1<sup>st</sup> Powell's Crumpsbrook Woodrush – Pleasing puppy with nice dark eye, ok on the move but handler needs to keep an eye on this as he did start to pace at times. Well -built and nicely muscled. Should mature nicely.

### **Junior Dog (4,2a)**

1<sup>st</sup> James's Darkensky Prometheus – This boy knows how to show himself and the handler knows how to get the best from him and in the dog challenge he stepped it up a gear. Nicely marked the boy just oozed quality today. Good lay of shoulder, strong slightly arched neck, lovely topline which he held well on the move. Moved with drive and purpose today. Slightly lighter eye than I'd like but this wouldn't stop him doing a days work – I was delighted to award him Best Dog today.

2<sup>nd</sup> Powell's Crumpsbrook Woodrush

### **Post Graduate Dog (1,0a)**

1<sup>st</sup> Saban's Estarose Reed – Nice dog with pleasing expression. Nicely muscled, nice front but slightly lacking in rear angulation. Didn't move well unfortunately due to an old injury that seemed to flare up today.

### **Open Dog (3,0a)**

1<sup>st</sup> Disney's Wonglepong Will's Faramir – A very well built and muscled dog who certainly has some presence in the ring. Moved with purpose and drive but got rather excitable in the challenge and didn't do as well as I know he can. Reserve Best Dog

2<sup>nd</sup> Weare's Kamaze Revolution – Very close call between 1<sup>st</sup> and 2<sup>nd</sup> and lost out today on movement alone. Lovely head type and nicely muscled, nice topline.

3<sup>rd</sup> Jenks Kalabagh Lightning

### **Veteran Dog – No entries**

### **Puppy Bitch (2,0a)**

1<sup>st</sup> Bargman's Crumpsbrook Molinia – Litter sister to Puppy dog winner, and has same qualities as him – difference was she moved very well – Best Puppy in Breed

2<sup>nd</sup> Caille's Kamaze Cosmic Diamond – Smaller than 1 and lacked substance, straighter in the shoulder and slightly long in body for her size. Moved well.

### **Junior Bitch (2,1a)**

**1<sup>st</sup> Fowke's Darkensky Serenity** – A finely built girl with nice expression. Seemed quite nervous today and took some time to settle down and as a result couldn't quite go over her properly today. Moved ok, topline held nicely.

### **Post Graduate Bitch (3,0)**

1<sup>st</sup> James's Crumpsbrook Angelica – Very close class to call, this girl got it on movement from 2<sup>nd</sup>. Pleasing head and expression, nice shoulders, good topline, good front & rear assembly. Moved really nicely today. Reserve Best Bitch

2<sup>nd</sup> Black's Seahaven Limited Edition – Just lost out on movement today to 1<sup>st</sup>, lacked the drive (maybe due to the heat as it was very warm by this time) but a lovely girl

3<sup>rd</sup> Prowse's Quilesta Just Endearing

### **Open Bitch (5,1a)**

1<sup>st</sup> Darby's Sh Ch Brockchime Besta Both to Incadar – Very pleasing girl, moved very well despite the warmth and showed her qualities well. Nice dark eye, lovely expression. Nicely muscled arched neck, lovely topline which was well held on the move. Nicely angulated at rear and good front assembly. Moved happily and effortlessly around the ring. Maintained her presence in the BOB challenge. Delighted to award her Best Bitch and Best of Breed today.

2<sup>nd</sup> Leeming's Ashlowrick Ladies Day at Iscadu – Another nice bitch, didn't move as well as 1<sup>st</sup> and topline wasn't held as well but had all the other qualities.

3<sup>rd</sup> Black's Seahaven Borrowed Heaven

Res. Fowke's Darkensky Serenity
