1st Gronow's CAZOOSKA LILYS GIN FIZZ. Super eye and expression. I believe he will be slow to develop but will be worth the wait. He has good bone and balance. Good texture to coat. He moves freely but needs to firm up on his topline. BP

2nd Simpson & Johnston's EKKOLANDER DARK MADNESS AT LERITON Pleasing head with a soft expression. Balance outline and good feet. Today he was somewhat erratic on the move but in time he will settle in to his stride.

1st Suchett-Kaye's CAZOOSKA PIXIE AT SETTSKAYE. I liked the overall balance to this girl. Well proportion head with a lovely expression, set on to a slightly arched neck. Good front and rear angulation ribs well sprung. Moved fluidly on a lengthy stride with drive and a positive footfall. In lovely coat and very well presented.

2nd Ogle & Butler's URSEL VOM AHLER ESCH.

Stronger throughout than 1st but so well balanced.

1st Ogle & Butler's CH RAYCRIS FREYA. Fabulous

mature bitch in tip top muscular condition.

Beautiful headed girl with the softest of eye showing slightly rounded skull and lips. Balanced body, deep- chested, firm short loin and strong quarters which were used to advantage on the move. She looked a picture when stacked, and on the move she showed the free, long striding, springy gait the breed requires. BB & BOB

2nd Robins's DESTANLI JEDDA'S DIAMOND

Pleasing head to this girl but stronger than 1st. Kind expression. Strong neck leading in to well-placed shoulders, short coupled, strong quarters which were well muscled. Balanced throughout. Sound mover.
