

LARGE MUNSTERLANDER- WINDSOR 2018

BOB and BCC Ogle and Butler's Ch Raycris Freya JW. An outstanding example of her breed. She is a very balanced and feminine bitch and moves with grace and power. Well proportioned head onto a strong neck of good length. Deep chest with good width, moderate bone and body throughout with nothing overdone. Tight well shaped feet onto strong legs able to provide an elegant but decisive movement. Super coat with good feathering. Easily the best moving dog today. In the last 8 in the GD Group. DCC Groom's Brockchime Comet of Grunjagen. An impressive dog of good size. Strong bone throughout. Well shaped feet, deep chest of good width. Broad hips and strong hind quarters.
