

# BORDER UNION CH SHOW 14 - Large Munsterlanders

## Large Munsterlanders

**PD** (1) 1 Hewitt's Brockchime Eros, an 8 months old dog who stood alone. His first time out I believe & was very anxious. He had a nice head & good depth of chest. Well up to size. His movement was erratic. **JD** (1) A. **ND** (0). **PGD** (4) 1 Hewitt's Brockchime Be A Betta Boy, typical example of the breed. Lovely head & good lay of shoulder, good topline which he held on the move. Good driving action using all the ring. Pleased to award him the CC; 2 Murdoch's Celtaur Loch Glashan, different type. Nice head, good outline, well built with good movement; 3 Taylor's Ichbin Jester of Tattay. **LD** (3) 1 Logie & Gray's Albadhu Paws For Perfection, this dog has matured very nicely fulfilling his early promise. Gorgeous head & expression, excellent movement spoiled only by a very high tail carriage. Pleased to award him the RCC, again; 2 Macgregor's Jaudas Fame And Glory, another very nice dog. Head & expression so typical, good dark eye, good coat. Didn't move as well as 1; 3 Webb's Trumorlund Anthony. **OD** (2) 1 Williamson's Celtaur Spirit Glen, a light coloured dog who at first was suffering with this tail but this improved the more he moved. Very good conformation, moved very well; 2 Lloyd & Smith's Ch Paddockridge Rulander, a good type of Large Munsterlander, medium sized, lovely head. Very dense coat. His movement today was not quite sound which cost him his place. **VD** (0).

**PB** (2) 1 Kitchen's Crumpsbrook Rather Regal, 9 months puppy, very feminine, pretty head, good coat, moved very nicely. BP; 2 Hewitt's Brockchime Luna, 7 months, well up to size, well put together, moved OK. **JB** (1) 1 Logie & Braidwood's Albadhu Rainbow Of Love, a bright coloured dog, rather on the small size & at the moment lacking feathering. She moved with drive. **NB** (3) 1 Gray Stephens' Seahaven's Olympic Uthopia, very feminine bitch, pretty head, good colour, moved OK when settled; 2 A Rainbow Of Love; 3 Wheldon's Ichbin Kwanita. **PGB** (1) 1 Gray & Uherkovichova's Franorst Lady Pamela, stood alone but very typical of the breed. Excellent movement & superb topline which she kept on the move. Good broad hips & good feet. Well deserved RCC. **LB** (6) 1 Robins' Albadhu Talk To The Paw Dha Destanli, very feminine, well balanced bitch with a beautiful head. Good reach of neck into well laid shoulders. Super topline, strong back, moved very well & considered her for top honours. Her time will come; 2 Darby's Brockchime Besta Both to Incadar, good head & expression, well balanced, good front. Not the coat of 1; 3 Patrick & Seamons' Ashlowrick Amazing Grace. **OB** (4) 1 Hargreaves' Sh Ch Ghyllbeck Angelique, a very typical Large Munsterlander & just the type I was looking for. Power & grace on the move, such a feminine head, good length of neck, excellent topline & well muscled. Pleased to award her CC & BOB & delighted to see her placed in the group; 2 Patrick & Seamons' Sh Ch Ashlowrick Satin Flower, another lovely bitch, in top class condition. Well put together, good head & length of neck. Good topline & good broad hips. Heavier coated than 1. A lovely example of the breed; 3 Kirkwood's Helydon Bonnie Brisha. **VB** (2) 1 Thomson & Kirkwood's Ir Sh Ch Helydon Knockandhu At Sarscottah, 7½ years, not showing her age. Taller bitch, flashy coat, moved round the ring well; 2 Hewitt's Incadar Indispensable, nearly 8 years, good head, moved OK but carrying too much weight.
