

GUNDOG S OF WALES CH SHOW 14 - Large Munsterlanders

Large Munsterlanders

J (2,1a) 1 Lovelace's Crumpsbrook Rather Dashing, I really appreciated his attractive masculine head. Quite rangy at this stage & not quite together on the move although he had good forward reach. Good straight front with tight fitting elbows. Deep in brisket with well sprung ribs. Has to strengthen in hindquarters. Needs a bit more time. Good overall breed type. **RBD. N** (1) 1 Procter's Crumpsbrook Larche, masculine, mature head with alert expression. Prefer to see slightly darker eye. Good bone & feet with strong pasterns. Strong, level topline which he held on the move along with his correct tail carriage. A little straight in stifle. Sound, steady mover. **L** (3,2) 1 Taylor's Ichbin Jester of Tattay, he is well up to size & is all dog. Loved his well marked head & dark brown eyes. He is masculine without a shade of coarseness. Well constructed forehead. Good width of thigh & bend of stifle. Presents a balanced picture with no exaggerations. In excellent coat & condition. Covered the ground with ease & style with correct tail carriage. Excelled on the move perhaps due to his well muscled condition. **BD & BOB**; 2 Patrick & Seamons' Ashlowrick Amazing Grace, I found her a little plain all over. Good bone & feet. Little drive from the rear but had good forward reach. **OD** (0).

OB (4) 1 Ogle & Butler's Sh Ch Raycris Freya, she is the finished article with excellent breed type & balance. Good size & not overdone in any way. Sweet, feminine head with intelligent expression. Firm, mature body properties. Good feet & pasterns. Presented in lovely, healthy condition. Moved well on balanced free strides. **BB**; 2 Patrick & Seamons' Sh Ch Ashlowrick Satin Flower, I loved this bitch's head which had so much work in it. Excellent dark eye which complimented her delightful expression. Nice quality throughout with no exaggerations. Deep, mature body with well developed hindquarters. Gleaming coat. Would have liked to have seen a bit more enthusiasm on the move; 3 Butler's Gorsebank Baroness Jasmine of Jendella's. **V** (1) 1 Thomson & Kirkwood's Ir Sh Ch Helydon Knockandhu at Sarscottah, excelled on the move for her 11 years. She is well up to size for a bitch but possesses good balance as she is slightly longer cast. Intelligent, alert expression. Well bodied but carrying no excess weight. Good reach of neck which is strong. A bit short in upper arm. Carries herself well on the move with good head & tail carriage. **RBB**.
