

S WALES CH SHOW 14 -

The last time I judged this lovely breed I had 14 entries at an open show but I understand that this is a normal entry now at champ shows without CCs – shame.

My comments would be that movement is still a major problem, no forward reach or rear drive & short striding rather than a long, springy gate. My other gripe is length of muzzle, to me being too short in muzzle seems to spoil the overall impression.

Thank you for your entry & for giving me the opportunity to go over your dogs.

JD & PGD (0). OD (2,1a) 1 BOB, Stevens' Celtaur Lake Geneva, 3 year old dog with ample depth of chest, strong back, good tailset & coat. Chest a little wide. Would prefer a slightly longer muzzle. Looked good standing but movement was not good, there was little drive & the dog was very close behind.

JB (0). PGB (1) 1 Black's Seahaven Borrowed Heaven, 5 year old bitch, a little on the small side. Pretty head but a very tight bite. She was wide in front & consequently toed in badly & crabbed on the move. Lost out on BOB on movement. **OB (0)**.
