

THREE COS CH SHOW 14 - Large Munsterlanders

Large Munsterlanders

PD (1) 1 Groom's Brockchime Comet, young male with so much spirit & a wonderful disposition. In excellent condition lovely head into well laid back shoulders, good amount of bone.

BP. PGD (1) 1 Taylor's Ichbin Jester of Tattay, excitable 18 month old male, a real picture on the stack with lovely depth, good turn of stifle & lovely coat, moved well & maintained topline.

BD. OD (3,2a) 1 Stevens' Celtaur Lake Geneva, pleasing mature male for 2½ years. Excellent condition & very workmanlike, looked like he could go all day. Lovely head & expression, another with a good topline. RBD.

PB (1) 1 Griffiths Rose & Griffiths' Crumpsbrook Rather Radiant, a lovely puppy bitch who had much to praise but just wasn't totally sold on the showing concept! I do hope her handler perseveres. She is coming along well. **PGB** (2) 1 Ellis' Raycris Calista, quality bitch who was handled to best advantage, lovely head & expression, good amount of bone, nice tight feet & moved around the ring with ease; 2 Leeming's Ashlowrick Ladies Day, pleasing bitch who scores in depth of chest. There is nothing overdone & she has felinity in abundance – such a pretty expression. **OB** (3) 1 Ogle & Butler's Sh Ch Raycris Freya, what quality this bitch, took my eye straight away & was not going to be denied. A lovely size she was easily the best mover on the day a condition many would envy I was delighted to award her BB & BOB; 2 Trowsdale's Sh Ch Raycris Special Quest, another from the top draw. Lovely front & correct angulation front & rear well presented & moved well – unlucky to meet 1; 3 Black's Paddockridge Madelaine at Seahaven.
