Large Munsterlanders

PD 1 Daley's Jaudus I Believe, nicely balanced head with good eye & ear placement. Neck still to strengthen & develop but with good shoulders & good width of body. Coat still to mature. Moved with confidence & behaved well. A very good start for this youngster.

BP. **JD** 1 J I Believe. **PGD**(0). **OD** 1 Rixon's Raycriss Raphael at Rixbriar, handsome dog. Strong neck & shoulders. Good deep chest with good rib. Strong legs with good bone. Workmanlike throughout, moved with power & drive. **BD**; 2 Stevens & Celtaur's Lake Geneva, a less substantial dog throughout, fine head but well proportioned. Good shoulders onto longer cast body. Coat still to finish. Perhaps not moving at his best today.

PB (0). **JB** 1 Huggins-Davis' Wonglepong Willows Star at Tralale, a youngster only just in Junior. Pleasing feminine head with an elegant neck & good shoulders. Good depth. Sufficient body & bone throughout. Overall a well balanced outline. Coat still to mature. Moved well. **PGB** 1 Saban's Seahaven Bouquet Of Roses, well proportioned head, good shoulders & decent depth of chest. Bone & body good. Movement was sound but lacked enthusiasm. **OB** 1 Ogle & Butler's Sh Ch Raycris Freya, an attractive feminine head with good eye & expression. An elegant but strong neck into well laid shoulders. Strong bone throughout but nothing overdone. Straight, strong legs & good depth of chest. Neat, well shaped & tight feet. Good width throughout with good quarters & hocks well let down. Depth of coat with good feathering. Tail nicely set to complete a well balanced outline. As importantly she moved with grace & drive. An exceptional lady. **BB** & **BOB**, & shortlisted in the group; 2 Caile's Blitzan Eternal Treasure, good head with gentle eye. Strong neck onto good shoulders. Good bone throughout & strong feet. Not the substance of 1. Moved with balance & drive. **RBB**; 3 Leeming's Ashlowrick Ladies Day at Iscadu.
