

## DRIFFIELD CHAMPIONSHIP DOG SHOW SOCIETY 2018

### Large Munsterlanders

Judge: Carolynne Trowsdale

I would like to thank Driffield Championship Dog Show Society for the invitation to judge today, and I would like to say thank you to my Stewards for their patience and help today in running an efficient ring.

Having had this breed for 30 years I feel that we are losing our type as a strong working breed. They need to have a length of stride and free flowing gait, and my main winners did fit the bill but it is a shame that these dogs are veterans so where are the up and coming youngsters to challenge? General points to note are light coloured eyes, some lack substance, gay tails and not true movement.

#### JD (1)

1. Day Mrs M I & Mr M E Waldo Vom Busshof Mit Alfriston (Imp Deu). Typical junior who shows promise, nice head with a darkish eye, lovely neck into well placed shoulders, good forechest, nice bone and substance, good width of thigh, well angulated behind, had a lovely length of stride with a free flowing gait but left his coat at home and just needs to mature and fill out in the body.

#### PGD (1)

1. Goodley Mrs K Quilesta Just Talented. Larger framed dog who is a bit light in eye, good ear set, well laid shoulders, adequate forechest and width, well ribbed back but slightly long in the loin, good width of thigh, a bit proud of his tail today, moved OK going away but a bit untidy on front movement.

#### LD (1)

1. MacGregor, Mr R and Macgregor Mr J & Mrs F Ekkolander Snowstorm. Typical male head with nice head and expression, I would prefer a darker eye but strong neck, good lay of shoulder and return of upper arm, straight front assembly with good forechest and plenty of depth, slightly long in loin, good width of thigh, well muscled dog. His movement is a pleasure to watch as he moves out with drive from behind, reaches in front and is light on his feet. Pleased to award him RCC.

#### OD (6,2)

1. Macgregor, Mr R and Macgregor Mr J & Mrs F Sh Ch Jaudas Fame and Glory. True to type, lovely head and expression, strong arched neck into well placed shoulders. Plenty of forechest, heart room and depth of chest, well ribbed back slightly long in loin, well angulated behind. His movement today made me smile as he had the reach and drive and the free flowing gait required of our breed and was shown in excellent condition. CC and BOB.

2. Day Mrs M I and Mr M E Raycris Constantin at Alfriston. Stronger in head, broad in front, lovely neck, well placed shoulders and deep brisket, slightly long in loin, well angulated behind, powered around the ring, not the tightest of feet. Strongly considered for RCC.

3. Jenks Mrs Kalabagh Lightning.

#### JB (2)

1. Putnam, Mrs N F & Mr S R D & Putnam Miss J R C Asterpoint Faraday. Pretty bitch with nice head and eye colour, good length of neck, adequate forechest, well placed shoulder and good return of upper arm, good width of thigh and nice and steady on the move.

2. O'Connell Mr T J and Mrs L Jaudas Look at Me. Lighter in bone, good head and eye with a beautiful expression, shorter coupled than 1, good shoulders, just seems to have lost herself a bit and was unsettled on the move.

#### PGB (3)

1. Tordoff Miss A Quilesta Just Elegant. Larger frame of bitch, lovely to look at with excellent shoulders and return of upper arm, straight front, well sprung ribs, good width of thigh, presents a balanced picture, I

- would like more coat, when sorted moved true front and rear and with drive. Well deserved RCC.
2. Middleton, Dr C & Tordoff Miss A Quilesta So Enchanting. Smaller girl with a pretty head, not the front of 1, well ribbed, slightly longer in the loin, lovely width of thigh and good rear angulation, moved well.
  3. O'Connell Mr T J & Mrs L Jaudas Look at Me.

LB (5,1)

1. Robins Mr & Mrs A & L Destanli Jemma's Diamond. Pretty bitch with good eye colour, good forechest well placed shoulders and return of upper arm, straight front, well ribbed back, longer in loin, nice width of thigh with good angulation, positive mover which won her the class. Considered for RCC.
2. Ogle, Mrs C & Butler Mr R Ursel Vom Ahler Esch at Raycris. Not co-operating with her handler today, another nice bitch, well muscled, kind expression good front with plenty of forechest, adequate neck into well placed shoulders, good return of upper arm, short coupled, good width of thigh, good front action but not so positive on the rear.
3. Hewitt Mrs A & Mr C Brockchime Frolicsome.
