SHOW GUNDOG WORKING CERTIFICATE:

Entries for the Show Gundog Working Certificate will be accepted at the Stakes indicated under Stake details.

The number of entries will be defined at the appointed Stake. A dog which has won one Challenge Certificate or previously qualified for Crufts through a breed class may be entered for a Working Certificate at a Field Trial meeting.

To gain a Qualifying Certificate a dog should conform to the basic requirements for their sub-group and be under reasonable control, but absolute steadiness is not essential. Closing dates are as per the Stakes and the standard entry form must be used. Where the number of entries exceeds two, preference will be given to L.Ms, then other suitably qualified dogs.

Entry fees for Show Gundog Working Certificate are the same as that for dogs entering the trial. A Show Gundog Working Certificate allows a Show Champion to carry the title of Champion when awarded.

Meeting and Starting Times: Competitors should report to the Chief Steward not later than 15 minutes prior to the published starting time, but for the purpose of substitution of reserves, the trial will be deemed to have commenced when the Chief Steward calls competitors and Judges together and makes his/her introductions.

Logistics: All persons attending any trial do so at their own risk and must consider themselves absolutely under the control of the judges and officials. . At all times, except when in the line, everybody should remain close to the

steward carrying the red flag to minimise the risk of accidents, and noise levels should be kept to a minimum. Anyone continually disobeying this instruction will be asked to vacate the ground. All dogs must be kept on a lead except when in the line. Nobody should bring a dog to a trial unless it is competing. Competitors may exercise their dogs prior to the trial by permission of the Steward of the Beat, but only when and where indicated. Any bitch found to be in season must be removed from the ground immediately.

Basic Requirements of Dogs Entered: KC FT Regulations J (E) (1.) Dogs shall be required to quarter ground systematically in search of quarry (hereafter game), to point game, to flush on command, to be steady to flush, shot and fall, and to retrieve tenderly to hand on command from land or water.

Competing: KC FT Regulations J(E)(4) Dogs shall be run singly in order of draw under two Judges, judging as a pair. A dog must have been tried twice in the line, excluding the water test before receiving an award.

Field Trial Committee for the Day: Should circumstances so dictate the LMC in consultation with the Judges, may alter arrangements, as necessary. Such changes and the circumstances surrounding them must be reported to the Kennel Club at the earliest opportunity. A Field Trial Committee For The Day will be appointed to act on behalf of the LMC, from any Field Trial Committee Members present and/or fully paid up members of the LMC who are familiar with field trial regulations and procedure.

Return of Entry Fees After an applicant has been successful in the draw for places in a Stake, or as a reserve has accepted an offer of a run, if the run is not taken up the applicant will become liable for the full entry fee if his or her place is not taken up by another competitor except:

1. Where the applicant has qualified out of Novice Stakes (where applicable)
2. Where the dog drawn to run has qualified for the Championship after entries have closed
3. On production of a Veterinary Certificate confirming that the dog entered for the Stake is unfit to compete
4. On production of a medical certificate that the applicant or the applicant's nominated handler is unable to compete

Guns/Quarry: Some types of quarry may not be killed with lead shot. It therefore depends on what type of ammunition the guns have loaded at the time an opportunity presents itself as to whether duck; geese, moor hen or coot are killed.

Liability: Neither the LMC nor the hosts of any meeting will accept liability for any accident, damage, illness nor injury to dogs, owners, handlers, spectators or any other person or property whatsoever. The LMC reserves the right to (a) withhold any prize or award or cancel any stake, (b) refuse any entry without stating the reason. The making of an entry constitutes acceptance of the Kennel Club Rules and Regulations for Field Trials and the forgoing LMC Standing Instructions.

Persons attending the trial do so at their own risk. The LMC accepts no liability whatsoever for injury to persons, property or dogs however occasioned.

Judges at a Trial are prohibited from entering a dog which is recorded in their ownership or part ownership.

Videography and photography will only be permitted with the express permission of the Chief Steward and the host.

The Kennel Club's Codes of Conduct specify the sort of behaviour expected of those who take part in competitive gundog work. Participants should be aware of their contents and, in particular, should never publicly impugn decisions of the Judge or Judges. Neither should they criticise the host, ground, or guns.

The Large Munsterlander Club Field Trials are sponsored by

Roger Skinner Ltd

Special Water Test Certificate: The Special Water Test Certificate is issued on the rare occasion that a Water Test is not possible at a HPR Stake due to weather conditions, it is not a mandatory requirement as it takes place once the Trial is over, and is taken at the dog owner's own risk. If an owner is not comfortable with the arrangements for taking the Special Water Test (i.e., if the Landowner's permission has not been sought, or there is a perceived risk of injury) then the individual can refuse to take part and can re-arrange to take the test at another, more suitable location such as another Field Trial which would be covered by a Club's insurance. The choice of venue for a Special Water Test is at the discretion of the dog owner, therefore, it is their responsibility to find out if the activity will be covered by 3rd Party insurance, for example: The Landowner's permission has been sought and they accept the risk, or the organisers of a Kennel Club Licensed Field Trial allow a dog to undertake this activity during the course of the Trial and therefore accept responsibility for that dog and handler. "The Kennel Club gives this advice without prejudice, if an incident occurs it would be a matter for the insurance company concerned to interpret and it is always best practice to contact your insurer if in any doubt."

DOGS IN CARS ON HOT DAYS Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused. Welfare of Dogs A competitor whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met and should not knowingly put their dogs' health and welfare at risk by any action, default, omission or otherwise. A breach of this Regulation may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. The LMC comply with The Code of Good Shooting Practice The LMC and the field trial grounds used all conform to the BASC Code of Good Shooting Practice. No modification will be made to the schedule after publication except by permission of the Kennel Club Ltd, followed by advertisement in appropriate journals, if time permits before the closing of entries.
