

The Large Munsterlander Club

Update from the committee following Management Committee meeting - Tuesday 20th June 2023

The full minutes from the above meeting will be posted on the LMC website once approved at the next meeting.

If you have any questions, please contact either Peter Disney, Andy Graham or Karen Caile.

1. Planning for the 2nd July Hall Barn Working Tests all coming together, ***however we really need more volunteers to act as stewards to support the judges***. This is a great day, and stewards are important to help all the tests run smoothly. If you would like to, or know someone who would like to, assist this important club event – please contact Helen Evans (helenevans0710@gmail.com).
2. As mentioned from the last meeting, the Committee is continuing to work on the process to put the proposed New Club Rules to the membership. The intention remains to include the proposed rules in the next Newsletter with information on the voting process. However, we are still waiting for the Kennel Club to respond to the proposed rules for any comments before we put forward to the club.
3. Due to the amount of work involved in organising our shows, and the need for cover, the committee agreed that a role to support the show secretary would be sensible. Nicky Logie expressed an interest and was unanimously appointed as Assistant Show Secretary supporting Erin.
4. With guidance and support from Vicky Wilkins, we are starting to plan for future Breed Appreciation Days.
